

Attention Gardeners - Spring Will Soon Be Here!!!

The Beaver Meadow Schoolhouse for the 2nd year is selling cocoa bean mulch to raise money for additional repairs to the schoolhouse. Last year we replaced decaying sills, the metal roof over the stage and improved outside drainage.

This spring we will complete a building assessment, paid in part by a grant from the Preservation Trust of Vermont. With this assessment we intend to solicit funding to fully restore the schoolhouse.

Cheryl Hermann is again leading this fund raiser.

Cocoa mulch adds nutrients to the soil while reducing weeding.

The price per bag is \$6.50

Please use the form below to place your order.

Pick up is planned for Saturday April 30th in the parking lot behind RE/MAX Group One Realtors - 306 Main Street, Norwich.

We will call or email you at the end of April about pick-up details.

Please feel free to call Cheryl Hermann at home 649-2926 or office 649-1333, or David Hubbard at home 649-3882 or email at dwhubbard@valley.net

Preferred order deadline: April 23, 2011
